# **Remember and Honor those whose lives have touched ours**

Remembering or honoring those we care about is a tangible way of saying

*“I love you and you have made a difference in my life.”*

One way to remember or honor a special loved one is by purchasing a leaf or rock on FBH's Wall of Remembrance. All proceeds will support the vital programs and services for older adults that enhance their comfort, hope and dignity in a caring environment.

There are two ways to designate your gift of love:

### *In Memory of . . .*

If you've lost a dear friend or family member, a memorial gift provides a way to express how very much it meant for you to be a part of that person's life. A gift in memory of a loved one is a wonderful expression of appreciation for his or her life.

### *In Honor of . . .*

An honor gift becomes a perfect tribute and the ideal way to express your thanks or appreciation of someone special. It's a perfect gift and a much-appreciated gesture.

### *Gift Acknowledgment*

We will send you a receipt acknowledging your gift.

We will notify whomever you honor or designate (without including the amount of your gift). They can visit FBH to see the leaf or rock on the Wall of Remembrance at any time.
