## IMPORTANT INFO:

### Holiday Giving Tree in Our Lobby

Our Life Enrichment Department is excited to help spread holiday cheer to our elders once again this year! We have placed a Giving Tree in the lobby, along with a signup link for anyone who would like to “claim” a gift to purchase. The sign-up link can be found in the email that was sent out. Our goal is to ensure that each resident receives a gift to open on Christmas morning, and your support truly makes all the difference. We are also accepting donations of wrapping paper, medium to large gift bags, and tissue paper to help prepare everything for the holiday.

### Staff Door Decorating Contest

Our staff will be joining in on the holiday fun this month by decorating their doors for the season! Each decorated door will be labeled with a number, and residents will have the opportunity to vote on their favorite door during the week of December 15th-19th. We can't wait to see the creativity and holiday cheer throughout the building!
